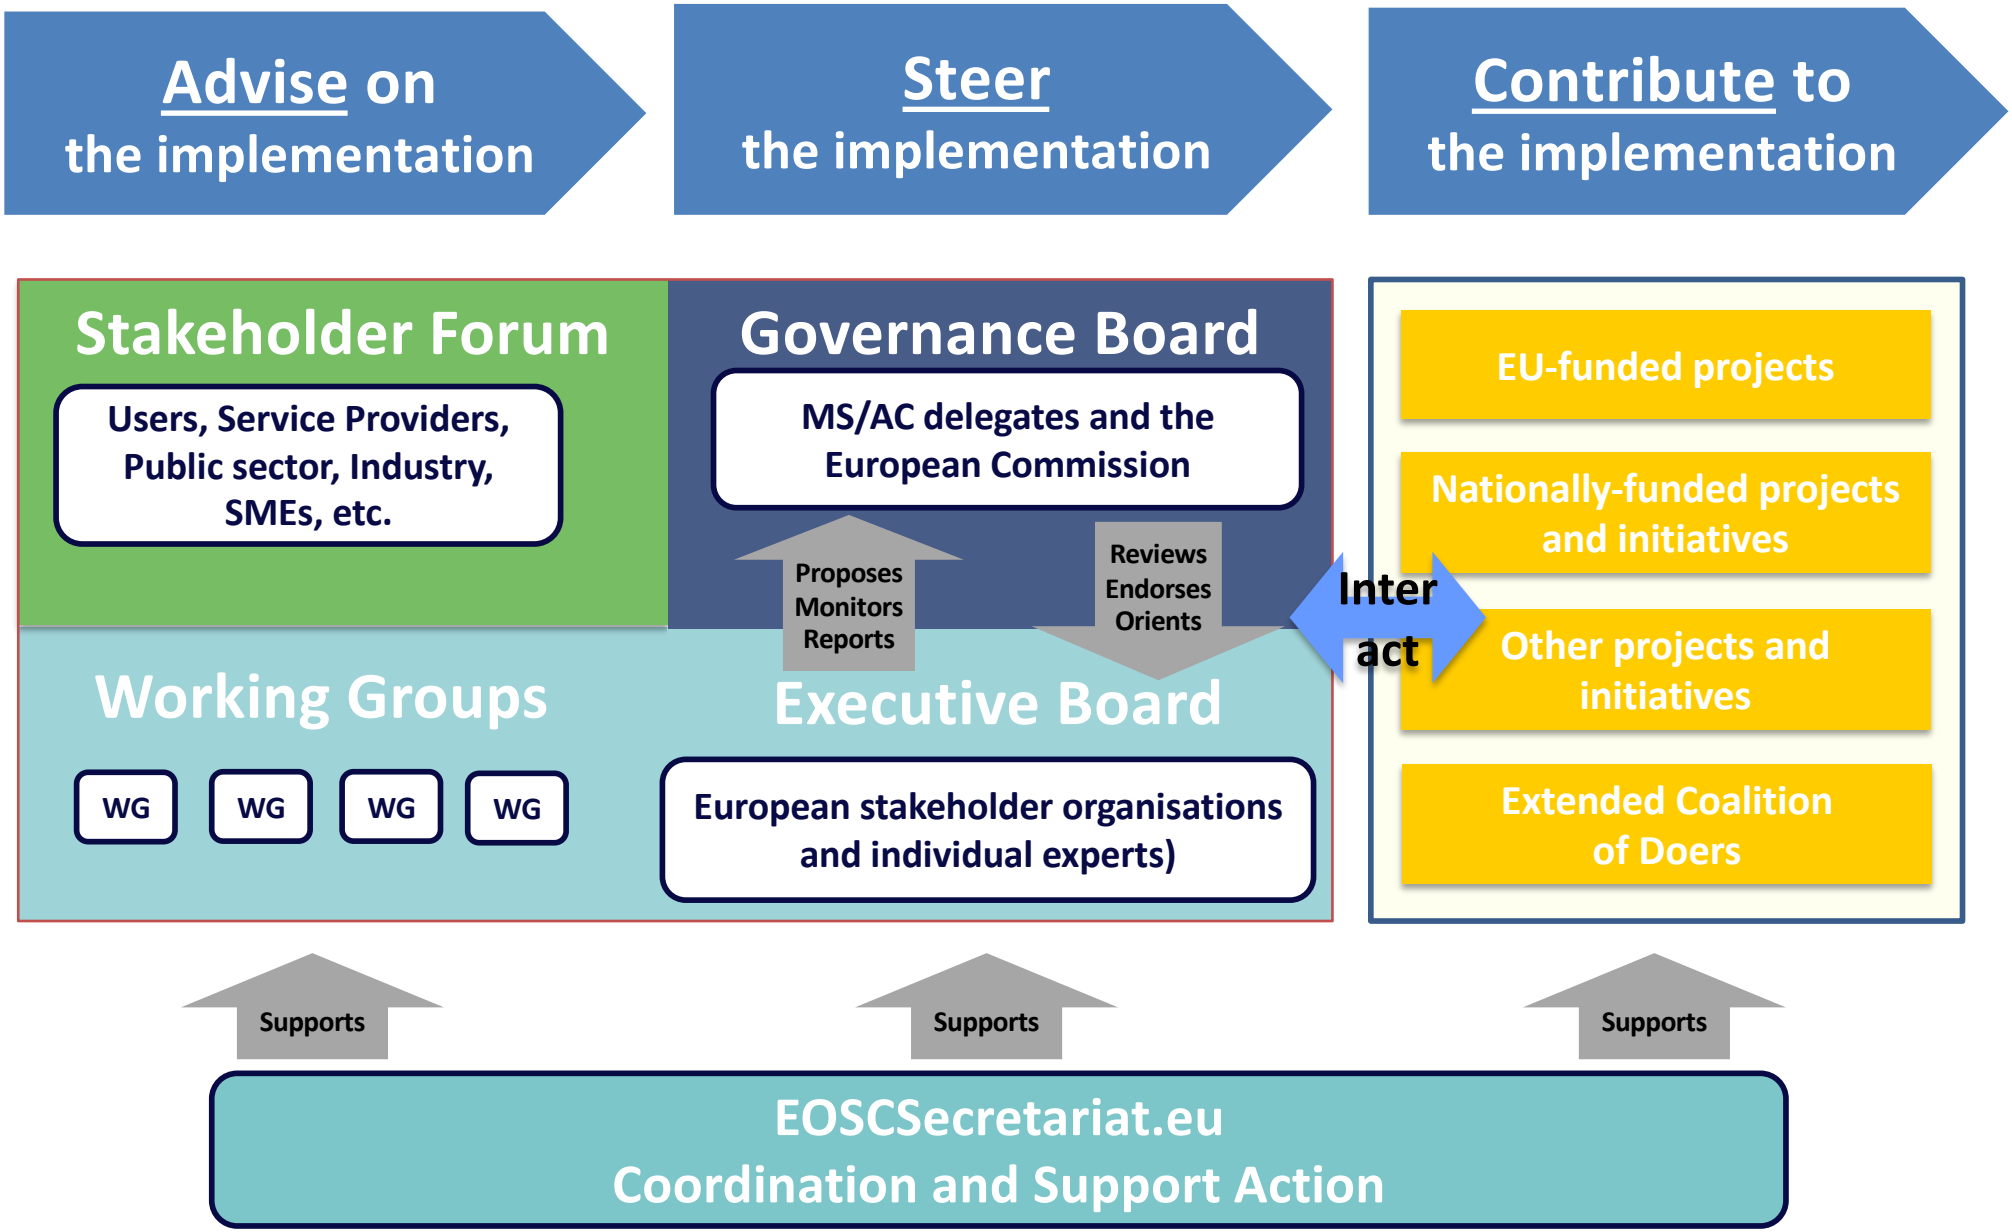
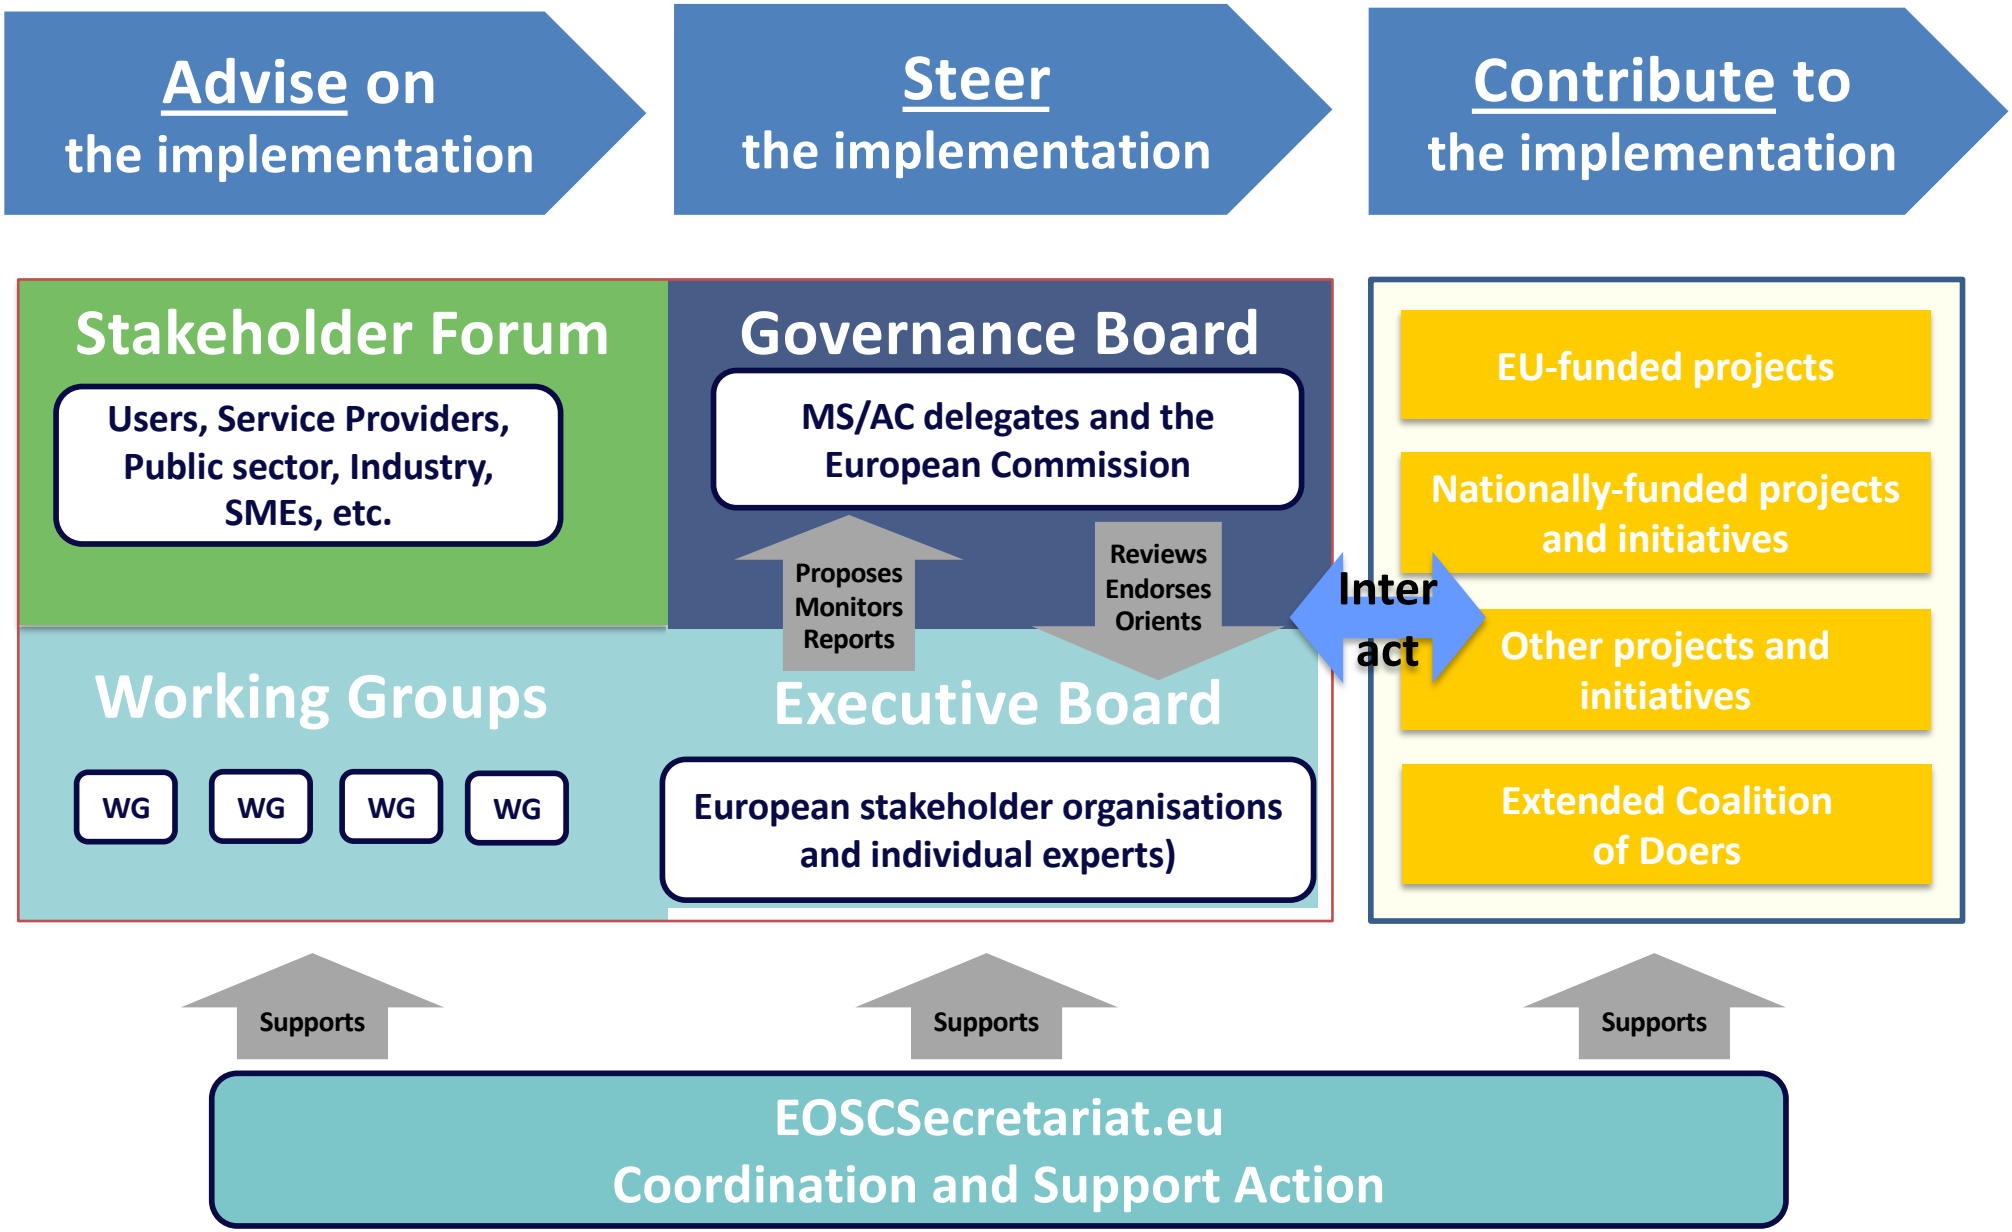
EOSC Governance 2019-2020

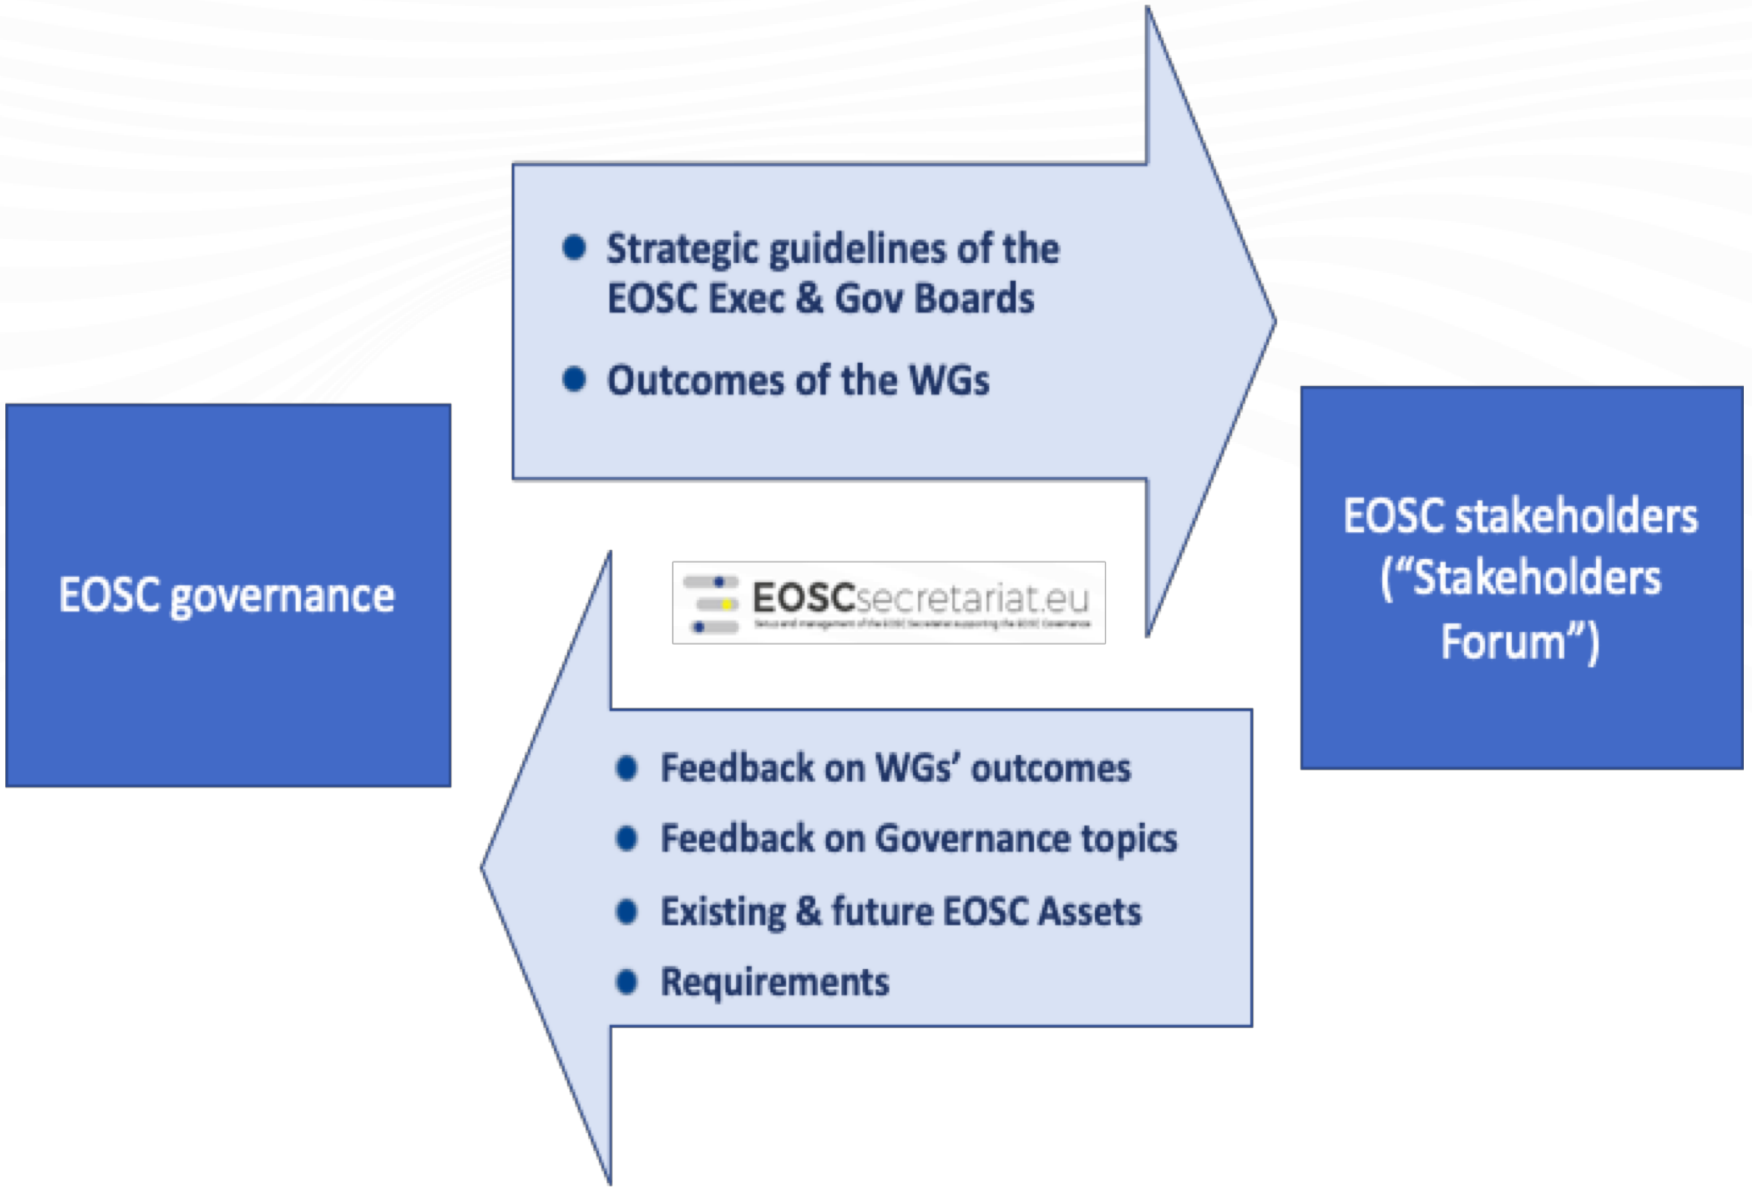


What does this mean for me?

EOSC Governance 2019-2020



Making sure EOSC is user centric - consulting users “by design”



Stakeholder groups we are working with

- Infrastructure initiatives in the Member States (led by CNR)
- **EU infrastructure related initiatives inc. ESFRIs, Ris, (led by KIT)**
- International initiatives (led by GO-FAIR)
- **Industry (led by CERN)**
- Researchers (TUWIEN)
